RENEWED PETITION FOR REVIVAL

OFFICE OF PETITIONS

Sir:

Applicant petitions for revival of the above application. Applicant previously petitioned for withdrawal of the holding of abandonment and conditionally petitioned for revival which petition was denied on August 14, 2003. This renewed petition is made within two months of the denial of the prior petition. Please charge all fees which may be due to deposit account 23-3030, but not to include the payment of issue fees.

Applicant's previous petition to withdraw the holding of abandonment was based on Applicant's failure to receive the communication listed as mailed on August 23, 2002. The below Practitioner has no record of receiving the office letter mailed on August 23, 2002 and a search of the file jacket and document records for that file does not reflect the receipt of such a letter. However, a search of the docket records for the entire firm for September 23, 2002 indicates a miscellaneous docket date with respect to this file. The Petitioner speculates that a document may have been received within the firm's docketing department, but for whatever reason was misplaced before reaching the Practitioner or the appropriate file. Since the Practitioner was unaware of the August 23, 2002 letter, the Practitioner removed the September 23, 2002 date from the docket believing it had already been responded to with the submission

Applicant filed on June 19, 2002.

In view of these facts, Applicant respectfully requests that this petition be treated as a request for revival due to unavoidable abandonment under 37 CFR 1.137(a). Applicant has contacted the Examiner for this case to request a copy of the August 23, 2002 letter, but to date has been unable to obtain a copy. Accordingly, Applicant is unable to provide a response to that communication, and requests that a copy of the communication be provided in response to this Petition along with a reopening of the response time. Applicant further submits that since it was unaware of the August 23, 2002 letter, the entire delay from the due date for the reply and to the date of this petition was unavoidable.

Applicant respectfully requests that this petition be granted and welcomes a telephonic conference with the Examiner if it will facilitate this application or petition.

Respectfully submitted,

By:
